

A Family and Employee Owned Company

Capacitor **Start Kit**

7344000D

Kit Numbers

K001227

component: start capacitor

K001228

component: run capacitor

K001315

component: start relay

K001316

for use with LSG(X)202M-C

K001474

for use with AE and SX Control Panels

K001640

for use with XLSG(X)208M

and

(X)LGH028/(X)LGV028-Series

K001641

for use with XLSG(X)202M

and

(X)LGH022/(X)LGV022-Series

IMPORTANT: All Liberty Pump products are supplied with their own separate Installation/Operation/Maintenance manual(s). Ensure receipt of these manuals, and that they are read and understood prior to installing this kit. For questions, call Liberty Pumps customer service at 800-543-2550.
